Meet Our Team

Senior Helping Hands

Our team of trained Caregivers supports people in their homes with household tasks, personal care, pet care, and medication reminders. If you are looking for in-home care at reasonable rates call us today.

Prevention of Elder Abuse

Our team of dedicated staff is trained to assist people in accessing resources and managing their money through payee services. Each person is treated with respect and supported to help them remain independent and free from abuse.

Friends Volunteer Program

Our volunteer companions are paired with homebound seniors struggling with social isolation. Our volunteers are trained after a background check and commit to making weekly in-person visits or phone calls. Call us today to learn more!

Our Community Collaboration

**Yellowstone
Guardianship
Council**

The Council consists of community volunteers who bring their expertise to serve individuals who are deemed by a court to lack the capacity to make medical or financial decisions and have no family member available, willing, or suitable to do so on their behalf.

**Dementia
Friendly
Billings**

This community team consists of volunteers who educate the community on dementia and develop respect and inclusion for persons with dementia, their care partners, and families through training of businesses and organizations, and support for people with dementia.
